### **INTRODUCTION**

The British Ruler did hand over the reign of our country, India, to one of their pet Indian family members in democratic platform advising to rule the country as per established law and 'Divide & Rule Policy' keeping alive all casteism, religious fundamentalism, etc. Therefore, generation to generation his successors can rule the country.

Accordingly, numbers of rulers/kings have increased from single to thousands to lakhs in three categories, as **administrative, financial and judiciary**. They have made **Burgeon ruling platform of 40%**

**Burgeon people namely:**

- 1. All Political Leaders**
- 2. All Bureaucrats**
- 3. All Professionals**
- 4. All Industrialists**
- 5. All Business Communities**

The above **20% Burgeon people and 20% APL (Middle Class People) (presently Government fixed up their minimum Annual Income Rs.7 lakh 50 Thousand)** are ruling over **60% BPL ("Below Poverty Level")** Categories of people in the Federal System of democratic country same as British Colonial Autocracy.

S Bhattacharya

Our Society is paternal system of society since beginning when society formed.

**There was a message from educationist and great Orator, Bipin Chandra Pal, which is published by the Editor of 'The Statesman' on 22 May 1932 that, "Democracies are notoriously ungrateful. They use man to the utmost limit for their physical and mental power and discard them and throw them on the scrapheap".**

This message is true to the knowledge of every politically educated person who understood that the present so-called democracies have become weapons for some group of as dictator to rule this democratic country in the shape of **KING/QUEEN PARTIES** Anarchism and Nepotism with autocracy same as British Colonial Autocracy by **20% Burgeon people and 20% APL Categories of people.**

In any country, human beings are the main assets. We should utilise them 100% for the country's development. 100% utilisation will create invention/discovery from the Universe. Whereas our political leaders/kings/queens are busy for looking after their own cadres/workers only to keep their power intake. Indian democracy can not remove corruption by any means because the entire nation/country ruled by political

S Bhattacharya

leaders of Assembly House and of Parliament House as per direction of 40% Burgeon people mentioned above.

Foreign deposits more than 20 billion dollars deposited by some of political leaders and others from 40% Burgeon people, which cannot be withdrawn and/or cannot display their individual names. This money will be utilised in hard cash by 'Howalla' transactions for election purpose. All political parties require cash money for paying their cadres, leaders and for propaganda/publicity to keep the power intake. Hence they have to go to **40% Burgeon people.**

Government's strong efforts for the overall development for the country inviting other developed countries' help and foreign depositors' investments. But maximum benefits enjoyed by **40% Burgeon people.** They all are mostly making cash transactions, especially all political leaders, all Bureaucrats, all professionals and all business communities. And they get all helps from Government Organisations/Institutions by receiving cash in exchange of transferring benefits. Various incidences are highlighted in the form of sample letters in Author's Main Book "**Evolution of Human Beings and Society.**" Especially in the state of West Bengal under **Kolkata Municipal Corporation Act established in 1876 by British**

S Bhattacharya

**Ruler** independent parallel Government controlled by total Bureaucrats where only few elected political leaders whose advices are not binding only eye witness personally benefited and some percentage given to the Government in cash which utilised for cadres'/workers' salary and party's publicity. And again Government will add in the Government's expenditures on a/c of donation to all clubs, muscle power in all blocks for political parties. Such a huge establishment could not make any infrastructures in any blocks for all maintenance works which are done by contractors must be on 40/60 ratio with Government in cash. Author's Main Book illustrated technical **know-how** for making **Kolkata** as **London** having similar geographical background of **London**. Also the same **technical know-how** mentioned in this Book. **Author** also suggested in sample letters to Chief Justice of India to abolish the **KMC Act** so that more or less one lakh youth can get a permanent job to build up the infrastructures and do the smooth maintenance works through elected block councillors. Presently here all labours/ technicians do not accept peace rate but insist for contract rate on business policy.

**FOR ALL POLITICAL PARTIES  
WHOM SO EVER IT MAY CONCERN  
10TH EDITION- OCTOBER 2018**

**“EVOLUTION OF HUMAN BEINGS AND SOCIETY”:**

The British Ruler did hand over the reign of our country India to one of their pet Indian family members advising to rule the country as per their established law and Divide & Rule policy keeping alive allz teism, religious fundamentalism etc. with their own **Constitution** which **Baba Saheb Ambedkar** amended as per our country’s requirements. If we read:-

**“PREAMBLE OF THE CONSTITUTION OF INDIA”:**

**“WE THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens: JUSTICE, social, economic and political; LIBERTY of thought, expression, belief, faith and worship; EQUALITY of status and of opportunity; and to promote among them all FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation”.**

S Bhattacharya

Therefore, the generation to generation **British Ruler's** successors can rule the country. Accordingly, numbers of Rulers/Kings and/or Sub-Rulers/Kings have increased from Single to Thousands to Lakhs in three Categories with whole Authority for **Administrative, Financial and Judiciary-(which completely under Government control)**. They have made **Burgeon ruling Platform of 20% Burgeon people & 20% APL People-(Middle Class) presently Government fixed up their minimum Annual Income Rs.7 lakh 50 Thousand) over 60% BPL categories of people in the Federal System of Democratic Country. Our Society is paternal system of Society** since beginning when Society formed.

In Hinduism, there are four **Yugas** such as **Satya, Treta, Drapad, and Kalli Yuga**. Presently running **Man-Pita (Father)** is the head of the family. Man is dominating in the family as well as in the Society. Women populations are increasing and they are capable of managing the entire Society in much better way than Man if they are not **Self Centered Power Crazy women**. Factually, Women is much more

S Bhattacharya

superior to Male Person. First, Woman is the creator of Human Beings. Man deposits seeds and Woman preserves the seeds feed them and bring them in the Society. Woman is much sexier than Male Person, but Woman has controlling element i.e. **Diffidence/ (Lajja)/Shyness** which controls the sex of Woman. Sex is natural requirement and demand. As per **Unani and Ayurvedic** explanation woman body's eight places have filling of Sex sensation. However, man has got only in two places. In the '**Quran**', Dress Code for Woman specified for complete body **cover** with **Veil (Borkha)**. Now the modern Society's Woman prefers to expose their body for beautification, competition in Fashion Parade and elsewhere. In the Captioned Book **Author** has suggested for **Self-Government** systems from **Block level to District level**. To implement the said systems Government has to pass Bill for taking control of all Clubs, Temples, Mosques, Churches and other religious Centers under Government control and to set up one **BDO Office** for administering the **Block** for developing the followings:

All unemployed people as per Mobile Employment

S Bhattacharya

Exchange Record in the Block should get job.

In all religious Centers, all devotees should come as usual to pray almighty as per individual's religious belief in their respective temples, Mosques, Churches and any other respective Centers after depositing their contributions, any articles etc to the **Block Office**.

Block Office employed attendants attached to temples, Mosques, Churches and other religious Centers will accompany them to the Worship Place. All Priests, Pandas, Imams, Moulabis, Fathers and other Religious Heads will get remuneration every month from the Devotees' contributions and other valuables from the **Block Office**. All unemployed **Club** members will get job as Security Man or as per their Skilled/Unskilled capability. Total Income from **Club** activities will be under control of **BDO Office**. Self-Employed Individuals in any business and/or any Professions should register their working details in **BDO Office** to contribute certain percentage from their Income for Block Developments such as **100% Education, 100% Health, Cultural activities etc**. No Cadres of

S Bhattacharya

any Political Parties are required to visit to any Business and Professionals' Offices to collect the Funds for their Political Parties requirements when they got their respective jobs in their Block. Political Parties funds requirements are the main cause of corruptions in entire Bureaucratic systems. All political Parties' leaders have interlinked relations in the corruption. They abuse stating '**Dishonest**' to each other but cannot go further for fear of getting gluey mud in their character. There is no ambiguity that most of the leaders are suffering from **Revenue Cancer** and no chance of getting cure because their Billion/Trillion Dollars in foreign Banks will remain unclaimed. What a pity and shameful matter for us. Now to cure all the **Revenue Cancer patients** we have to establish **MAA, MATI & MANUSH Society**. First think for **MAA-(Bharat MAA)** for whom we have to change the political structure i.e. Federal Systems to Presidential Systems elected by the people, of the people and for the people. Next to, choose Leader for President who thinks for people from '**MATI**', (**Block to District label**). Next to, choose '**MANUSH**'

S Bhattacharya

**(Man or Woman)** and for this we have to go to Hinduism Story of **Treta Yuga**, when **Shri Ram** worshiped for arrival of '**MAA**' "**Durga**" to kill '**Ravana**'. We can choose from only Woman who is superior to Man, but does not possess any **Self-Centered Power Crazy Mentality** except developing Ego and direct Injection to all **Revenue Cancer Patients** to establish" **MAA, MATI & MANUSH Society**". Any Leader from any State if claim that he/she is only eligible for becoming competent Head of the Country/States by showing only Industrial growth which benefitted only **40% of total population** not for **60% BPL** categories of people. **Author's** question that by Industrial growth can anyone prove in the State/Country **100% Education, 100% employed, 100% Health care and 100% secured Life.**

Now '**Author**' analyses religious fundamentalism and some idea to remove inhuman treatment by Fundamentalist through his **Self-Government Systems** already explained in the foregoing method in the **Captioned Book.**

S Bhattacharya

### **1. Fundamentalism in Hinduism:**

In Hinduism, there are 33 Crores Spiritual Persons as Gods and Goddesses arrived to remove inhuman treatment by Fundamentalist to establish peace and humanity in the Society. Out of them, there are Supreme Spiritual Persons-Gods arrived in four different **Yuga (Period)** like **Brahma/Bishnu/ Mahaswar in Satya Yuga, Shri Ram in Treta Yuga, Shri Krishna in Drapad Yuga and in Kalli Yuga: Paramanghansa Shri Ramakrishna, Shri Budhya Deb, Shri Jaganath, Shri Chaitanya Mahaprabhu, Shri Ramakrishna, Shri Pareshnath, Shri Tirthankara, Shri Guru Nanak etc.** Some **Spiritual Persons/Gods** created some powerful Gods and Goddesses through sexual activities. As an Example **God Shiva**, who was the **King of Kailash Parbat** and throughout the years and years was on **Joga/ Sadhana of Soul**. And become so powerful strong **Person-God** that **He** could transfer his power to **Ravana** who was worshiping **Shri Shiva** later on made that **Shri Shiva** his captive and whenever **Ravana** moving for conquer he used to carry

S Bhattacharya

**Shri Shiva** on his shoulder. However, **Shri Shiva** told to **Ravana** that if he keeps **Shri Shiva** for any reason on the land he would not be able to pull him out from that place. **Ravana** was under tremendous urinal pressure and he has to keep him on **Deoghar Land**, now in **Jharkhand State**, is the **First Shiva Temple** in India. There is another story about the **Stone Image of Sri Shiva**. **'MAA-Pārbati'** wife of **Shri Shiva**, was daughter of **Janak**, Maharaja of Himalaya. **'MAA- Pārbati'** was worshiping **Shri Shiva**. One day when she was in the **Kailash Sarobar** with her friends for taking bath, **Shri Shiva** nearby was in inanimate condition in **Joga/Sadhana** on one mountain. **Shri Shiva** suddenly got wake up when some women were taking bath with high volume sounding games. **Shri Shiva's** Sex excitement awakened his penis, which he extended long towards those women, and those who were looking to the long penis started loud utterance expressing joy but **MAA-Pārbati** inserted that Penis in her Bush. Latter on **MAA-Pārbati's** friend groups cut that Penis. The first **Image of Shri Shiva** in **Deoghar Temple**.

S Bhattacharya

Throughout the country on **Shri Shiva Day** people are worshipping this image sacredly so that they get same power like **Shri Shiva**.

Now Author's queries why religious fundamentalists should kill **Mahatma Gandhi** who arrived in this country as **God** to establish Humanity with secularity without violence. And why world famous painter, **M. F. Husain** has to leave his country for not doing any crime but for making his own thinkable Goddess's Image. It is wrong **Fatwa** when we can worship the Image of our **Shri Shiva-God Image and/or Stone made Image**.

## 2. **Muslim's Islamic Religion in 'Quran' & Christian Religion in 'Bible'**

Both the religions are accepted by each other very friendly. Moreover both the Religions are merciful and they believe God will punish them for their crime. Now in India also Religious harmony extended in marital relation with each other Love. Moreover, India is a Secular Democratic Country. **God Christ** direct from **Mother Marry** sacrificed himself for the cause of peace and humanity.

S Bhattacharya

**Prophet, Hazarat Muhammad**, illiterate cannot read and write anything but Angel, messenger of **Allah (Almighty)** bestowed **Allah's Prophecy** through Prophet's versions in '**Quran**'. There is no direct punishment announced like '**Fatwa**' to any one for any crime but left on **Allah** who will decide. We should not encourage any Fundamentalists' Group to create terrorism in the Society creating inhuman crimes. **Author** feels all-religious Heads-Pundits', Gurus, Imams, Moulabis, and Fathers; jointly conduct one Convention to instigate/inspire to all religious people to conduct prayer everyday to strengthen their brainpower and to gain the following benefits of **Health and Mind**:

1. Improved 'Immune Function'
2. Reduced risk of death from heart attack and stroke
3. Reduced stress and increased peace of mind
4. Reduction and Elimination of panic attacks, anxiety and depression
5. Reduced impacts from chronic pain
6. A more positive, happy out-look on 'Life'
7. A healthier, longer, more fulfilled 'Life'

S Bhattacharya

In addition, of above prayers we should invite them to attend Temples, Gurdwaras, Churches, Mosques and other any religious Places on various occasions announcing any auspicious Day celebration through broadcasting channels. For all these we should insist Government to take over all the Religious Places and set up one **BDO office** to manage the situation. By this, Income will increase and everybody will get good job so that idle brain will not choose any criminal jobs. In view of the above **Author** feels that the '**Fatwa**' announced for **Writers, Taslima Nasrin & Salman Rushdie** can be withdrawn. **Author** feels that if Government passes the Bill for taking over all the Clubs, Religious Places can remove all Terrorists set-ups moving door to door from **Block label to District label** by giving them employment through Mobile Employment Exchange and Broad Casting Media Channel for overall development of **60% BPL categories** of people then '**MAA. MATI & MANUSH**' Society is established. **Once the above Society is established then unlimited democratic rights of 40% peoples can be synchronized for stopping**

S Bhattacharya

**their Nepotism and Anarchism in the Society over 60% BPL Categories of people.**

**N. B: 1. His Highness/Her Highness!** Presently in the **Burgeon Ruling Platform** yours unlimited democratic rights for **20% Burgeon people & 20% APL People-(Middle Class)**, (presently **Government fixed up their Minimum Annual Income Rs.7 lakh 50 Thousand per annum**) ruling over **60% BPL Categories of people** cannot control **Price Index**. In the **Captioned Book, Author** suggested in the **Price Index Chapter** profit margin 3 to 4 times in **MRP Price** on factory rate should be reduced and fresh cultivated products in retail markets charging more than 100% to 200% profits should be reduced after addition of transportation charges. In the Shopping Mall retail-prices are more than in the open retail market price. Moreover, in Whole Sale Mall fresh cultivated products' rate is more than Open Retail Market. **Author** strongly condemns Governments' Emergency Food Bill for poor people. This is another deception to the **60% BPL Categories of people**.

S Bhattacharya

You are well aware that Governments' **Fair Price Shop** is very much-corrupted unit in the Society. This is only for Government's own Party dominated States for election campaign and those people benefitted will earn extra money by selling in the market on high rate. In addition Governments' distribution bureaucratic system is dangerously corrupted unit in the **Burgeon Ruling Platform**. Our Country is Second Largest Populated Country. And our Government is trying to implement all systems of World King whose population is 1/3rd of our Country's Population. Implementation of your Financial Expertise may get rewarded in the country of World King, which will boost up status of **20% Burgeon people & 20% APL People-(Middle Class People)**, to increase corruption, terrorism etc. in the Country. In the Sixth Edition of the Captioned Book suggested **100% Education, 100% Employment and 100% Health Care** by implementing **Self Government Systems in Gram Panchayat and in the City**. For this we have to arrange **National Religious Convention** to support **Emergency Bill** for controlling all States' **Religious Associations/Institutions** and all

S Bhattacharya

**Clubs' Sports and Cultural activities'** development under guideline of Central Government. For this, we have to establish **States' Sena** to visit door to door along with **BDO Officer** for preparing **Bio-Data** of every member of the house for their development. By this you can find out all terrorists, criminals, unemployed, illiterates etc. You can include all these peoples in **States' Sena**.

**a) Money Market/Share Market: This Market is only for 20% Burgeon people & 20% APL categories of Peoples'-(Middle Class People)**, your Government's full-hearted endeavours to boost up their interest. You are after **FDI Investment** for higher Percentage of **NAV** in Share Market for selling the shares on higher rate to make them **Billionaire**. By this system, **60% BPL categories of people's** calamitous condition will be deteriorating as per details given below:

**b) Share Market** under control of **SEBI** which again under control of **'A' Group of companies'** leadership for manipulating/speculating under guideline of Reliance Group, Financial King of our Country. This King is continuously satisfying the Government's Kings, all

S Bhattacharya

Bureaucrats, Ministers, etc. through all **'A' Group of companies** by giving their own shares at lowest price so that the same shares can be sold in Boom period. In exchange they are dictating the Government to pass the Bill for extra ordinary power to **SEBI**. So that **SEBI** can interfere in all other non-member companies' business affairs registered under Companies Act and with Incorporation Certificate of Ministry of Corporate Affairs including authority to collect money from public against deposit Certificate, Debenture Certificate and Redeemable Preference Share Certificate when FDI investment is not responding. Next this **SEBI** with its self-styled with approved power started sending notice to the various Registered Limited Companies and incorporated with Ministry of Corporate Affairs not to collect any deposit from Public and all collected amount to refund to Public. Due to this notice **lakhs of 60% of BPL Categories of people are starving for non-receipt of their monthly return for long period. And seizing their Banks' Accounts and utilising in the money markets through Banks earning crores of Rupees.** You are well aware that your entire

S Bhattacharya

Bureaucratic systems and your Ministry level are corrupted like no bodies business as per daily News Paper Reports. During UPA Government's under Finance Ministry as per News Paper Report there was one white paper came out for 2G Scam and other various Scams linked with your Finance Minister's name which with craftiness method the matter got clean chit. This Ministry's I. T. Department under the table clearing all disputes every day. In **Author's** case having Nil Return Holder forgot to claim TDS refund but with the help of subordinate with I. T. O.'s approval **Author** got his refund as per Credit shows in the Book of his Pan No. as per normal procedure by giving cash 10% to 15%. Another Case of his with one Advocate who was torturing **Author** for huge undue cash and **Author** has given one detailed letter to C.I.T. enforcement Department for the said Advocate whose yearly Income nearly to Rs. Fifty Lakh, copy attached in the captioned Book.

**N.B:-2. Sirs/Madams!** If we recollect the **Patriarch of CPM Party's** confession in the year 2000 of the TV Channel that their Party could not

Indian Democracy 22

S Bhattacharya

establish socialistic pattern of Society while taking over the reign of this **State of West Bengal** due to Self-centered Power Crazy mentality which could not overturn the existing **Burgeon ruling Platform of 20% Burgeon people & 20% APL (Middle Class People)**. Present **West Bengal Government Party, TMC** took reign of this State by changing **Slogan "Maa, Maati and Manush"** on the same **Burgeon ruling Platform** instead this **Slogan** should be **"Maa, Maati and Manush for 20% Burgeon people & 20% APL (Middle class People)**. As per TOI's Report after long periods' hunger Strike with God Blessings present **Supreme Queen** could win the 2010 West Bengal General Election and took the oath in front of Governor before wearing the crown. Thereafter for long occupancy in the present heir to the Throne '**SQ**' gone to Indira Bhavan to meet **CPM's Patriarch, London Barrister** to get advice for keeping the throne for indefinite period like **God Rama** went to **Ravana** at his Bed of ending life for administrative method.

S Bhattacharya

The said **CPM's Patriarch** advised without support of **40% Burgeon people** no one can continue to be on the Throne without publicity of the **King/Queen** through media, poster with Image, deception by disguise to the public and making all cadres millionaire for the above publicity. All corporation activities are done by local unemployed people under contractor/cadres for very nominal salary of net Rs.6000/- to Rs.8000/- plus PF, Esic. All these contractors are sharing with the Government 60/40 ratio. On receipt of Author's 6<sup>th</sup> Edition Book Supreme Queen called all Bureaucrats and taken left and right to stop minting money by unfair means. But after few days all Bureaucrats united and convince **Supreme Queen** by saying that they are the Independent Authority under **British Calcutta Corporation Act 1876** who can fulfill the money requirement for **Supreme Kings/Queens** as parallel Government. Simple example at the time of over bridge construction in Salt Lake one Delhi Party has given Rupees Five Lakh to all concerned Executives as per TOI Report. To remove corruption

S Bhattacharya

and it is only possible to abolish the **British Calcutta Corporation Act**. Then only Kolkata can be remade as **London City** having same Geographical back ground implementing digital system of administration, finance and judicial activities. Presently Self Centered Power crazy Queen is torturing all **BPL categories of people**, Celebrities, dignitaries for supporting Her Highness and for chanting with her Cadres the Vague Slogan- '**Maa, Maati and Manush**' for **40% Burgeon** People. For example: - **1. Mother, Mahasveta Devi**, eminent writer and recipient of Jnanpith Award & Raman Megasaysay Award who gave Foreword for the captioned Book has been thrown out from her Rajdanga own constructed building on the Plot given by earlier Government for her contribution in the society for distressed people through her literature declaring by the present Government as unauthorised construction and Mother, Mahasevta Devi vacated the building and shifted to her Golf Green Flat. When there was a hue and cry in the society, present Queen contacted

S Bhattacharya

Mother and sent a car to pick up the 90 years old bed ridden Mother from her Golf Green Flat for reading one self-appreciation Note written by Queen from the Esplanade Dias to the few lakhs supporters of Queen's Party's Meeting to express sensitiveness. Thereafter when Mother's illness condition deteriorating day by day the Queen arranged hospitalisation in Belvedere Hospital, Mintu Park. Later on after demise of Mother Present Government has converted the Rajdanga Building as Sangrahalay inscribing outside of the Building the Image of Mahasevta Devi.

2. Author of the captioned Book having Certificate of below poverty level from Councilor of Kolkata Municipal Corporation, ward No..... for Magistrate, 24 parganas (S) could not get auction done for the attached property from the Certificate Department. Author has written one complaint against Certificate Officer, Dy. Collector giving full details of their harassments and physical torture to Handicap, below poverty level Author addressed to District Magistrate, which also running almost three months.

S Bhattacharya

All leaders/Ministers are busy to keep their Power intact by arranging Funds in corrupt way and/or by unfair means engaging all **Bureaucrats, Cadres/Workers** to meet the Party's expenditures, and presently all Governments' offices, Administrative, Financial, and Judicial etc. to arrange funds from publics. And few thousand crores lying unused surplus funds to be sent for development of villages where Panchayet Election is nearing.

4. Now as per **Author's** advice and appealed to all political parties joining together to make one new **Third Front Group** jointly to take the reign of this Country and the States for betterment of **60% BPL Categories of people**. Presently the Queen of this State confirmed after UK visit that she is the only Royal British successor who is maintaining British autocratic administration torturing **60% BPL Categories of people**, Celebrities/dignitaries and taking complete Law in her control. Considering similarity of London City's Geographical and environmental equation '**SB**' suggested remodeling of Kolkata City should give special Priority as per elaborate detailed statement given below to make Kolkata City same as London City.

S Bhattacharya

**1. Road construction, cleaning, Sewage system, Maintenance etc.:**

**A) Road Construction:**

Road should be eclipse type i.e. from middle with little high sloping to both side by asphalt mixtures and after roller application sufficient extra thick Coal Tar should be applied so that water stagnant will not be there and stone chips will not come out when vehicles are running on the Road. For maintenance, there should be permanent maintenance Workshop in every Constituency and all employed technicians will conduct the maintenance works instead of contractors who are the main source to manage huge amount of extra cash money. All political cadres/workers required to be employed in the Block level to supervise the every maintenance works in the Block.

**B) Drainage, Cleaning, and Sewage system:**

All open drainages should be shield by 100" dia concrete CS Pipes, and then build up new shopping mall on the shield area to shift all city hawkers/temporary shopkeepers from pavement. The same 100" dia concrete CS Pipes would be laid down into

Indian Democracy 28

S Bhattacharya

the depth sea to the extent of few kilometers away.

Entire drainage water and sewage system would be pumped out to the sea through the concrete CS Pipe Line. There should be both side drainage systems on the Road. Road cleaning would be done by water hosepipe attaching with the river water pipe line Tap installed on the roadside early in the morning. There should be HDP/concrete made garbage storage Box installed with the every Electric Light Post where the people will put their home garbage packet. Garbage Van will come to collect garbage from the storage Box. All employed Cadres/Workers should be alert to stop unloading all civil materials on the Roadside.

**C) Drinking Water:** All employed Cadres/Workers should check all the damaged Taps/Valves where continuous wastage of water flowing. After repairing Cadres/workers should arrange waterline inside the hutment/Flat so that those people need not put queue on the Roadside for collecting drinking water.

**D) Slum Dwellers:** To remove slum dwellers/hawkers from both side of the Railway Line running through City,

S Bhattacharya

we should cover the Line by constructing multi-storied building for shop keepers and slum dwellers.

**E)International standard Multi-Storied Inter-State Bus Terminus from Esplanade to Babu Ghat area:**  
**This Terminus will have the following facilities:-**

**i) Basement:**

- a) Local city buses & Inter-State Buses along with Petrol Pumps & small maintenance Work shop,
- b) Various Fast-Food Canteens, Medical Shops & Clinics and Gift Articles Shops.

**ii) Ground Floor:**

- a) **Side Corner** for Reserve Buses, Car Parking, & Fast-Food Canteens
  - b) **Middle Portion** reserved for Seminars, Political-Parties Meetings and for any Grand Celebrations on chargeable basis for all
  - c) If Government can arrange its own **TV Channel** then all sorts of publicity, announcements can stop all **processions and Slogans.**
- iii) First Floor & Second Floor:** Both for Shopping Mall for bringing all central Kolkata's Hawkers and temporary shop keepers.

S Bhattacharya

**F) Ganga River:**

- a) To make few bridges from Barackpore to Diamond Harbour for interlink Metro rail across River in Western Side.
- b) Below the bridges there will be Station for High Speed small AC/Non AC double Decker Steamer with Canteen and Bath/WC facility to be launched from Barackpore to Diamond Harbour.

increase of 36% approx. for all bureaucrats to remove corruptions. This increase will make few lakhs rupees disappear from Govt. Treasury. Now if we come back to the above subject we should depute all bureaucrats around all Railway Stations and all whole sale/ retail market areas 24 hours with digital camera will get few crores poor people moving, begging, sleeping at night creating dirty atmosphere should be picked up and put them in rehabilitation camp with various jobs/works in increase of 36% approx. for all bureaucrats to remove corruptions. This increase will make few lakhs rupees disappear from Govt. Treasury. Now if we come back to the above subject we should depute all bureaucrats around all Railway Stations and all whole sale/ retail market areas 24 hours with digital camera will get few crores poor people moving, begging, sleeping at night creating dirty atmosphere should be picked up and put them in rehabilitation camp with various jobs/works in agricultural fields, cottage/small scale industries in all states to make the country **SWACHHA BHARAT WITH ROJGAR YOJANA.**

S Bhattacharya

### **3.REMOVAL OF CORRUPTION**

In this democratic country to remove corruption is impossible task. Present Government policy to increase profit in all respect for **FDI (First Develop India)** by inviting foreign investments, automation, reducing personnel strength by lay off, etc. As per Manufacturing Cost Analysis personnel cost has been taken 35% initially but for maximum profit motive reduced that cost implementing above said method. Next for marketing which was done earlier by manufacturers themselves but the same marketing job has been given in various series of agencies method and with highly media publications keeping their own profit intact. And accordingly price of commodities gone so high due to increase of profits by series of agencies which ultimately affected Government to remove corruption increasing pay scale of **20% Burgeon people** and **20% APL Categories of people** which more than ten times in compare with **60% BPL Categories of people**. Practically increase of Price Index taking care by increasing Dearness Allowance automatically. Foregoing paragraphs in Part-I, Author has given new title of all **Government Executives as**

S Bhattacharya

**Revenue Cancer Patients.** Now they are utilising all most all **60% BPL Categories of people** through their coercive method by cheating, looting, terrorising, extortion, etc. for earning extra income. # Hunger places India at a poor 100 among 119 nations

Grappling with a "serious" hunger problem, India has been ranked 100th among 119 developing countries on the Global Hunger Index (GHI), behind North Korea, Bangladesh and even the besieged Iraq, but ahead of Pakistan, according to a report. India was ranked 97th last year.

The country's hunger problem is driven by high child malnutrition, and underlines the need for stronger commitment to the social sector, International Food Policy Research Institute (IFPRI) said in its report.

"India... has the third highest score in all of Asia — only Afghanistan and Pakistan are ranked worse," IFPRI said in a statement. An increase in GHI indicates the worsening of a country's

hunger situation.

"At 31.4, India's 2017 GHI score is at the high end of the 'serious' category, and one of the main factors pushing South Asia to the category of worst-performing region this year, followed closely by Africa South of the Sahara," it added.

Among India's neighbouring countries, China ranks the highest at 29; Nepal has been ranked 72,

Myanmar 77, Sri Lanka 84, Bangladesh 88, Pakistan 106 and Afghanistan 107.

North Korea ranks 93rd, and Iraq 78th.

Now in its 12th year, the GHI ranks countries based on four indicators — undernourishment, child mortality, child wasting and child stunting. IFPRI said more than one-fifth of Indian children aged below five weighed too little for their height and over a third were too short for their age.

"As of 2015-16, more than a fifth (21%) of children in India suffer from wasting (low-weight-for-height) — up from 20% in 2005-2006," IFPRI said. Only three other countries in this year's GHI — Djibouti, SL and South Sudan — show child wasting above 20%. PTI

**"WE THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens: JUSTICE, social, economic and political; LIBERTY of thought, expression, belief, faith and worship; EQUALITY of status and of opportunity; and to promote among them all FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation".**

Country and as Chief Minister for the State. Prime Minister is the Supreme Commander/Prime Minister/King/Queen of the Country and Chief Minister is the Supreme Commander/Chief Minister/King/Queen of the State. Central Governments and State Governments for execution as per Constitution and Law Supreme King/Queen appoint Bureaucrats in Administration, Finance and for Judicial Sectors appoints Chief Justice/Justices, Judicial Magistrate etc. with number of advocates which formed Law Board. All Bureaucrats are Public Servants who should take care of all peoples. But in this State all bureaucrats are servants of Supreme Commander of the Government because their Service, Salary, Promotion etc. are decided by the Supreme Commander. They receive Appeal/Complaint from the peoples and forward immediately to the concerned Department and when People wants to meet again to know the outcome of the Appeal/Complaint which remain pending for years together are not permitted to meet. Reason Supreme King/Queen keeps them busy for accomplishment of King/Queen's instructions. In West Bengal Judicial Sector's Law Board is under control of the present

Queen advising advocates for performing injustices to the victims/poor people as per Author's look out.

Before wearing the crown as Chief Minister for the State of West Bengal we must discuss about your struggles viz: slogan, procession, 26 days hanger strike and when earlier Government declared 144 for stopping all procession you directed all cadres to break the 144 and the earlier Governments' Forces killed 27 cadres and after becoming state Queen every year you are celebrating martyrdom gathering at Dharamtala Maidan, Kolkata. Now you are establishing 'Maa, Mati, Manush Society for 40% Burgeon people encircled with your cadres, councillors, ministers and becoming Billionaire by sucking Blood of 60% BPL Categories of people. Illustrated examples are given below:

From the above mentioned Book and reproducing public opinion about your advertisement and publicity of your international fame as '**Bishay Kanya**' putting your Image in every placard at gali, Park, road, building wall and across the State same as **BSP Queen of UP State** earlier years back. As per Forbs' Magazine she had achieved 200 billion rupees assets and properties in her

possession. When public noticed your Image in **Blood donation Placard** they sympathised and saying that the Queen must be suffering from **Thalasamia** but presently Queen's Image is not appearing in that Blood Donation Circular. Queen is absolute honest but public opinion says her related MP has established one Self Enterprise Company registered possibly under KMC Act 1876 established by British Regime, Parallel Government with State Government which is extreme powerful corrupted Government for financing State Government.

As per public opinion presently the related MP's Company made an arrangement with all the State Government's Establishments-Administrative, Financial and Judicial Sectors that all Executives, staffs, all cadres, councillors, Boroughs' Chairman next to Commissioner, Supreme Commander of Kolkata Corporation to collect cash as Agents compulsory monthly twice from retail business men, private Hospitals, small scale Industrialists etc. for making 60% payments including PF, ESIC etc. to unskilled labourers, cleaners, and all subordinate stuffs and complete advertisements, publicity etc. and balance 40% cash collection deposited to the Banks

opening accounts as individual Agents' name controlled by one signatory and nobody will demand for Government's services. There are **rumours** that this Company has already become billionaire and all others are becoming millionaires. Author has visited West Bengal South End and North End and confirmed Agency commission businesses are flourishing and suppressed volcano will outburst within few months.

After winning "**Biswa Kanya**" titled **Shield** you have confirmed that you are another successor of '**Queen Victoria**'. As per British regime by submitting created circumstantial evidences through 75% support of Law Board Members giving them full right to earn Extortionate money from complainants and BPL Categories of people. Next every Ward Councillor will visit Advocates' Chambers every month and will collect cash for their own salary and party's publicity. Presently you have removed Humanity from your Mental Dictionary to suppress all 60% BPL Categories of people by not issuing BPL Certificates for not keeping any record of malnutrition victims for not giving them minimum source of income for their livelihood. And

especially for Author who is BPL Certificate Holder with Electronically IT Return under mentioned 5 cases instructing all Legal Aided advocates to extend the SR date and/or to keep file in missing stage. Among those 5 cases, some are Consumers Forums cases and others are Criminal cases and Recovery suit. Accordingly all cases are extending for 5 to 6 months. Mostly all cases are assigned to panelled legal aided Advocates whom Author has to pay Rs. 100/- to Rs.200/- fees every hearing cases, for preparing petition separate fees Rs.200/- to Rs.500/-. Some examples: after two summons Police did not return the Case File No. Jadavpur P.S. ....S Bhattacharya to the Record Room and on hearing date on ..... **SUB: TENTH EDITION OF "EVOLUTION OF HUMAN

**Sir,**

Enclosed the above mentioned Captioned Books incorporating one Script-"**FOR ALL POLITICAL PARTIES WHOM SO EVER IT MAY CONCERN**".

This Book includes one foreword of **Mother, Mahasweta Devi**, recipient of **Jnanpith and Raman Magsaysay Award**, which has been affixed with **PREFACE**. As per knowledge and observation of **the Author** of the Captioned Book clarified that British Ruler did hand over the dynasty of our country to one of their pet Indian family members dividing into two parts as India and Pakistan. Very cunningly, the British Ruler did hand over the reign of our country to their pets dividing into two parts as India and Pakistan. But well before at the time of discussion and negotiation, **Father of the undivided Nation, Babu Mahatma Gandhi** objected saying that the **Netaji Subhash Chandra Bose** is the first National Leader

Indian Democracy 62

S Bhattacharya  
who should take over the reign of this country.

While handing over the reign of this country to their pet Indian family member the British Ruler advised not to change the British law and 'Divide and Rule Policy' keeping alive all the religious fundamentalism, casteism, tribal backward class, etc. to keep the dynasty under own and/or successors' control forever. Likewise fourth generation of that British Indian family member is ruling the country. As per **Author's** learning from **"India Wins Freedom" of Moulana Abdul Kalam Azad** written in Urdu and translated in English by **Humayun Kabir, writer, educationist, philosopher and politician**. As per peoples' look out while reading the the biography's one script especially on the British Indian family member did not include in the Biography, which is very much mysterious. As per peoples' knowledge during publication period the said British Indian family member has destroyed that particular script when he came to know about the script which had been written especially for him.

**Very recently Your Honour has passed one judgment order against Muslim Divorce whereby saying talaq, talaq, talaq is not legal as per Indian Constitution of secular and democratic country. But after marriage when both have become parent of son/daughter and next bride, mother of the child filed false case against the father of the child and not allowing father to meet the beloved child. Mother of the Child is living with her own parent and instigating for Talaq. The Judgement required to be amended for benefit of child's father to meet the beloved child could not be siezed.**

If you have read “**PREAMBLE OF THE CONSTITUTION OF INDIA**” mentioned in the **Judicial Sector/Departments** should be Independent and to pass the Judgment Orders as per **Constitution and Law** but not under control of Governments' decision and as per **Constitution and Law** but not under control of Governments' decision and as per Law Board's members controlled under Political Parties' will and wish like British Dynasty.

**SUB: TENTH EDITION OF "EVOLUTION OF HUMAN BEINGS AND SOCIETY"**

**Sir,**

Enclosed the above mentioned Captioned Books incorporating one Script-**"FOR ALL POLITICAL PARTIES WHOM SO EVER IT MAY CONCERN"**.

This Book includes one foreword of **Mother, Mahasweta Devi**, recipient of **Jnanpith and Raman Magsaysay Award**, which has been affixed with **PREFACE**. As per knowledge and observation of **Author** of the Captioned Book clarified that British Ruler did hand over the dynasty of our country to their pets dividing into two parts as India and Pakistan. Very cunningly, the British Ruler did hand over the reign of our country India to one of their pet Indian family members. But well before at the time of discussion and negotiation, **Father of the undivided Nation, Bapu Mahatma Gandhi** objected saying that the **Netaji Subhash Chandra Bose** is the first National Leader who should take over the reign of this country.

While handing over the reign of this country to their pet Indian family member the British Ruler advised not to change the British law and 'Divide and Rule Policy' keeping alive all the religious fundamentalism, casteism, tribal backward class, etc. to keep the dynasty under own and/or successors' control forever. Likewise fourth generation of that British Indian family member is ruling the country. As per **Author's** learning from "**India Wins Freedom**" of Moulana Abdul Kalam Azad written in Urdu and translated in English by **Humayun Kabir, writer, educationist, philosopher and politician.**
